

# THUNDER ALLEY

R/C RACEWAY

## RENTAL TRUCKS

Come and see if you might enjoy driving a R/C car. Rent one of our Traxxas® Slash® rental trucks.

This is a great way of getting started in R/C racing at very affordable rates. We welcome newcomers of all ages.

THUNDER ALLEY is a premier off-road facility located in Beaumont, CA at Noble Creek Park (35 miles East of Ontario). Our track has hosted some of the largest racing events in Southern California including the 2008 ROAR 1:8 Buggy Nationals. Each week we have regular practice days along with club racing. First timers and experienced racers are welcome. It is not unusual to see some of the fastest drivers in the U.S. testing new products and new cars on a regular basis.

Come visit one of the most favorable off-road tracks in the country, and run your gas or electric R/C car or truck for a day of fun and excitement!
